

## Why?

Why  
this  
happen  
matter

Some  
event  
here  
now

As tree roots feed their trunk  
chains of causes  
rippling through the past  
converging  
here  
now  
diverging  
rippling through the future  
chains of consequences  
feeding branches to the end of time

Why  
You and I  
here  
now
